Dear Mr. & Mrs. Waddingham: Re: Beaver River Dist. Sys.
Account(s) 03-144B

Mr. & Mrs. William G. Ence have informed us they sold a water right, 77-472 which is regulated under the Beaver River Distribution System. The account number associated with this right is 03-144B and our records show you are now the owners. We are enclosing, therefore, the 1992 assessment notice for the above mentioned water right.

The distribution system is regulated by the State Engineer under authority of Section 73-5-1, Utah Code Annotated, 1953, as amended to insure orderly distribution of water based on water rights. A budget is set and assessments are made each year to meet the expenses of the distribution system including the commissioner's salary. The budget and assessments are set by the water users at the annual distribution meeting with the State Engineer. If assessments are not paid by June 1st, a delinquent penalty of 10% is added.

If you have any questions, please either call Gerald Stoker, the Regional Engineer at 586-4231 or myself at 538-7380.

Sincerely,

Lee H. Sim, P. E.
